

The Part Number:

2-YSF34155BV

- PRODUCT NAME:** Metal Y Screen Filter
- RAW MATERIAL:**
Screen - Stainless Steel
Exterior - Polypropylene
- SIZES:** 3/4 in Male, 3/5 in Female, 3/4 in Male x Female, 1 in Male, 1.5 in Male
- DRAIN:** Cap or Ball Valve
- FEATURES & BENEFITS:**
- Compact and space saving
 - Self-Washing capacity
 - Can be buried without issues from mud and detritus
 - Minimum risk of root intrusion
 - Flap for blocking mud and detritus when system is not in use
- APPLICATIONS:**
- Agriculture
 - Drinking water pre-filter

Diagrams obtained during lab tests at room temperature, with fresh water and free discharge, on a 120 mesh filter

Technical Data	
Closing System	Threaded Cover
Filtering Grade	155 or 200 Mesh
End Connection	Male, Female, or Male x Female
Max Pressure	8 bar at 20°C
Nominal Flow Rate	5 m³/h
Filtering Cartridge	Stainless Steel Mesh
Cartridge Diameter	37mm
Cartridge Length	129mm
Available Connections	3/4 in - 1 in NPT
